NESCAFÉ* in Europe is
100% responsibly sourced coffee,
supporting coffee farmers to improve their lands
and livelihood.

Responsibly sourced coffee is traceable to the group of farms where
it was grown and is produced in accordance with sustainability
standards that have been validated as equivalent to our
Responsible Sourcing Standard.

Traceability and compliance to sustainability standards are checked
by independent organizations, such as for example 4C Services and
the Rainforest Alliance, which deploy accredited local auditors to
assess a range of factors, including social, environmental, economic
and health and safety conditions at farm.
